Step-by-Step Process for Booking a One-Way Flight for Someone Else

Step 1: Collect Passenger Details

Before calling +1-866-228-5951, gather the traveler's full name as it appears on their government ID, date of birth, contact information, and any special requirements. Accurate information is critical to avoid issues during check-in.

Step 2: Dial JetBlue Airlines Phone Support

Call +1-866-228-5951 to connect with a trained agent. Explain that you are booking a one-way flight for another person and provide all necessary travel details including departure city, destination, travel dates, and preferred times.

Step 3: Verify Flight Options

The agent will present one-way flight options, including fare classes, seat availability, and any promotional rates. Travelers can ask about flexible tickets, upgrades, and loyalty program benefits for the person they are booking for.

Step 4: Provide Payment Information

Securely supply payment details to the agent. Agents at +1-866-228-5951 can answer questions regarding using a different credit card than the traveler's, ensuring authorization and billing compliance.

Step 5: Confirm Passenger Information

Double-check that all passenger details, including spelling, date of birth, and contact information, are correct. Agents verify that the ticket matches official identification to prevent boarding issues.

Step 6: Add Extras and Special Requests

Request any additional services such as extra legroom, meal preferences, or priority boarding. Phone agents can coordinate these requests directly with the airline, ensuring they are attached to the passenger's reservation.

Step 7: Receive Confirmation

After completing the booking, the agent sends an email confirmation to either the purchaser or the passenger. Keep this confirmation for check-in, baggage allocation, and any future changes.
